AP Scoring Rationale Review

Go to: **http://apcentral.collegeboard.com/apc/public/courses/teachers_corner/index.html** and find the course homepage for your AP portfolio. View the student samples for the Quality, Breadth and Concentration sections. Read the scoring rationales for each sample; are there any recurring themes in the rationales? What types of things do the AP scorers seem to value as evidence of top quality work?
Please write your finding below.

For the Concentration section, what types of qualities are emphasized in the rationales for high scoring (5, & 6) portfolios?:

What criticisms are present in the rationales of the lower scoring Concentration sections (2, 3& 4)?:
